Memorandum of Understanding (MoU)

Between

**CSI COLLEGE OF ENGINEERING
AND
SCULPTECLAT TECH SOLUTION P.LTD.**

PREAMBLE

Interaction between Industries and Technical Institutions will provide immense mutual benefits and also provide a formal basis for initiating interaction between industries and institutions. Realizing this objective, this College and the industry named above, have signed this MOU in order to achieve the desired results.

SCOPE FOR INTERACTION

The proposed interaction will include the following

- 1. Encouraging and allowing the students of the college to interact with working groups of the industry so as to increase their knowledge level
