INTERNAL QUALITY ASSURANCE CELL ANNUAL REPORT REPORT FOR THE YEAR 2020-2021

To ensure that the quality aspects of the institution are going in the right path, the Internal Quality Assessment Cell has devised plans in the beginning of the Academic Year 2020-2021. The following plans were proposed and corrective measures were planned and executed effectively. Due to the pandemic most of the programs have been conducted and attended through online mode.

S.No	Plan of Action	Achievements/Outcomes
1	Workshop, Seminar/Webinar, and training program should be conducted for students. Staff should be encouraged to attend Conferences, Seminars and FDP	Conducted 20 Workshops, Seminar/Webinar during the academic year 2020-2021. Workshop and FDP attended by faculty are 115.
2	Recognizing and suggesting appropriate value added courses for the students	Total number of value added course conducted 15 and the number of students attended 287
3	HODs should encourage students to involve themselves in events and programs conducted by extension activities of NCC, NSS and Eco club. Active participation of students in all programs is warranted.	Conducted 15 programs through NSS/NCC/IGEN
4	Training and Placement should be strengthened. Proper training and coaching should be given to students to ensure increase in pass percentage which will enable more number of students to get placed in the core companies.	The placement has been taken care of effectively by placing students. Number of carrier guidance program provided are 4.
5	Reputed companies should be contacted for MOUs and institution-industry collaboration.	Yet To Be Strengthened
6	To Increase the end-semester result and pass percentage of students, remedial classes should be conducted after the completion of each and every internal test.	The end-semester result and pass percentage of UG is 100% and PG 100%
7	Staff should be encouraged to present and publish more number of research papers in reputed journals	Staff from all the department have presented papers and have published them in scopus-indexed and UCG care list journals
8	Number of activities in collaboration with industry should be improvised	Number of activities is 12
9	The Alumni-institute affiliation should be strengthened by frequent alumni meets and inviting alumni for conferences and webinars. It would also be prudent to invite alumni for guest lectures to encourage and motivate the students.	Alumni meet have been conducted for all the departments. Alumni have been invited to the campus to encourage and motivate students
