CSICE/DR/535/2024

OFFICE ORDER

Sub: CSICE, Ketti – review on even semester results – faculty performance
– test class to be conducted – reg.

It is observed from the review of results of the even semesters that the performance of students is very poor which makes them ineligible for Placement drives. It is also observed that faculty members need to take extra care to get good results on the subject handled by them.

In view of the above, it is decided in the HoD meeting held today that daily test should be introduced for the students for 45 minutes from 04:15pm to 05:00pm. The students from first year to final year should attend to the daily tests to improve their performance in the University Examinations. The college buses will leave the campus at 05.00pm once the test is over effective from 21.10.2024 – Monday onwards until further instructions.
