Further to the discussion we had regarding our ongoing training program for CSI Engineering College students, I hope most of the students are benefited by this technical training program. Please confirm Principal's and Your availability on 15th November 2023 for a brief meeting to discuss the current training services and plan the future programs.

Also, I would request College to permit me to address the students who are undergoing this training and also to connect the rest and explain them the advantage of this session.

I am looking forward for a longterm partership with CSI College to make this a grand success.

Thanks & Regards,

Dr. Sivakumar,

As discussed, we have shortlisted **B. Biju Fastino Raymond** from III ECE as an intern. The internship period would be between 6 & 9 months and based on his performance we would consider him for full time employment.

I request the College to allow him to engage with us fulltime during the Internship.

I am looking forward to your confirmation and more such students from CSI College.

Response: We will confirm the start date shortly.

Hello Vimal Priya,

As discussed, we have shortlisted (Harish & Sneha) they will be interns for the first 3 months and based on their performance will be converted to our regular employment.

Note : We would request College to grant them fulltime permission to continue work with us.

Thanks for your support and looking forward for more resources from CSI College.

Best Regards,
Hari
