ABOUT THE COLLEGE

Dr.KALAM TRIO SCIENCES EXAM 2026

CSI College of Engineering (CSICE), an autonomous institution established in 1998 in Ketti, by the CSI Coimbatore Diocese, is dedicated to academic excellence and innovation. Affiliated with Anna University, approved by AICTE, and accredited by NAAC, the college offers seven undergraduate programmes and one postgraduate programme.

The college focuses on empowering the people of the Nilgiris region and is actively involved in research, innovation, product development, and entrepreneurship. Its notable achievement include publications in reputed journals, success in hackathons, start-up initiatives, NPTEL certifications, patents, and research grants from DST, SERB, and TNSCST.

A commitment to quality education, a strong placement record, industrial collaborations, and a global alumni network further enhance the reputation of the institution. Honoured with the "Trendsetters Award 2024" by The Times of India, recognised as the Best Performing Institution in Placements by TNSDC, and awarded the Best NSS Unit Award under Anna University, the college continues to shape the future of students.

SYLLABUS

PHYSICS

- Ray optics and wave optics
- Photoelectric effect and de Broglie wavelength
- Electrostatics and capacitors
- Current electricity and circuit laws
- Electromagnetic induction and AC
- Bohr's model and nuclear physics

CHEMISTRY

- Coordination chemistry and isomerism
- Chemical kinetics and electrochemistry
- Solid-state numerical problems
- p-Block trends and exceptional behaviour
- Organic name reactions and chemical tests
- Metallurgical processes

MATHEMATICS

- Complex numbers and De Moivre's theorem
- Matrices and determinants
- Vectors and analytical geometry
- Maxima and minima
- Probability distributions
- Logical propositions and truth tables

Awards & Achievements

- 22 Individual Titles & 1 Team Victory at the Prestigious CM Trophy
- TrendSetters Award - Times of India
- Top Performing Institution in Naan Mudhalvan Placement
- Best NSS Unit Award - Anna University
- Knowledge Partner for Innovation Voucher Program - EDII TN
- District Hub for EDII-TN for The Nilgiris District
